

Innovative new captive bank. Exciting. Opportunities. Join us!

## Finance Director (M/F)

Hyundai Capital Bank Europe is the first non-European financial service corporation obtaining a full European bank license from ECB since 2008. The newly established Hyundai Capital Bank Europe, with its headquarter located in Frankfurt/Main, is the European subsidiary of the South Korean Hyundai Capital Services Inc. in Seoul. With more than 10.000 employees worldwide, the corporation is the market leader in the field of financing and leasing of Hyundai and Kia vehicles.

We are now focusing on setting up the new automotive bank in Germany for the brands of Hyundai and Kia. For this reason, we are looking for highly motivated employees who are willing to take on this challenge and enthusiastically further develop the already created.

You have the unique chance to implement your ideas into our rapidly growing business, a truly international company an exceptional corporate culture. This means an amazing work environment in the heart of the German bank center. Exciting, Opportunities – Join us!
